OMBUDSMAN:

Serve if/when called upon (OMBUDSMAN training required to serve)

The Ombudsman's role is primarily one of communication and conciliation, not adjudication. Ombudsmen do not determine whether ethics violations have occurred or who is entitled to what amount of money, rather they anticipate, identify, and resolve misunderstandings and disagreements before matters ripen into disputes and possible charges of unethical conduct. Ombudsmen should be thoroughly familiar with the Code of Ethics, state real estate regulations, and current real estate practice.
